'INSANE' DOUBLE BREAKWATERS PROPOSED FOR OLIVERS HILL

Frankston Beach Association strongly opposes Frankston City Council's \$24 million proposal for the threat to our beautiful beaches, fragile marine ecologies, cultural heritage values and iconic vistas, and urges you to also.

Plans and details of the proposed breakwaters and a new double-storey Coast Guard building on the foreshore are at: <http://www.frankston.vic.gov.au/OliversHill>
